Pride of ownership shines throughout this home, lovingly maintained since 1992. A major renovation in 2006 nearly doubled the living space, transforming this property into a spacious 4-bedroom, 3-bathroom home ideal for comfortable living and entertaining.

The impressive 20' x 27' kitchen is the heart of the home, featuring cherry cabinetry, quartz countertops, a walk-in pantry, and a cozy wood-burning fireplace—perfect for gatherings. The 25' x 25' living room offers an abundance of natural light through large windows and skylights, complemented by a gas fireplace for added warmth and charm. Step outside to a relaxing deck overlooking the beautifully landscaped, secluded backyard, offering peace and privacy.

For those needing extra storage or workspace, the property includes two large pole buildings with concrete floors and skylights: 30' x 40' x 10' building with electric, 30' x 40' x 14' building.

In 2025, the home received a fresh facelift with new roofs and skylights on the house and buildings, along with new siding, ensuring years of worry-free enjoyment.

This property perfectly combines timeless care, modern updates, and versatile space—ready for its next proud owner.
